nora 4you

Bodenbeläge verleihen Ihren Räumen Struktur, Persönlichkeit und Leben. Individualisierte und einzigartige Produkte, mit nora 4you bieten wir Ihnen genau das. Maßgeschneiderte Lösungen, die Ihren Räumen das besondere Etwas verleihen. Ihre persönlichen Wünsche sind unser Maßstab – fast alles ist möglich. So können Sie Flächen mit Farben, Mustern und Intarsien kreativ gestalten, strukturieren oder akzentuieren – nach Ihren spezifischen Anforderungen und Ideen.

Barenboim-Said Akademie, Berlin, DE | © Dirk Wilhelmy

Ihre Farben? Machen wir!

Unser Standardprogramm mit über 300 Farbtönen in verschiedenen Nuancen ist groß. Nichts passendes dabei - Wir können fast jede Farbe anhand von Mustern oder Farb-codes (NCS, RAL, Pantone) anpassen – und Ihre Wünsche im Bodenbelag umsetzen.

Escher in Het Paleis, Escher Museum, Den Haag, NL | © Studio Beeldwerken

Intarsien als dekorativer Blickfang

Mit Intarsien gestalten Sie Räume ganz nach Ihren Vorstellungen. Sie werben den Boden optisch auf, inspirieren und laden ein, an bestimmten Punkten im Raum zu verweilen. Ob umfassendes Gestaltungskonzept oder dekorativer Blickfang – Intarsien setzen Zeichen, die nicht übersehen werden.

nora[®] Bodenbeläge

Weltweit vertrauen Architekten, Bauherren, Nutzer und Verarbeiter auf nora[®] Lösungen, wenn es um die Gestaltung wohngesunder und ästhetisch hochwertiger Innenräume geht. Als Marktführer einzigartiger Kautschuk-Bodenbelagssysteme entwickelt und produziert die nora systems GmbH in Weinheim an der Bergstraße Premiumqualität „Made in Germany“.

Konsequent folgen wir der Vision, für unsere Kunden Produkte mit herausragendem und nachhaltigem Nutzen zu schaffen. Deshalb stecken wir geballte Innovationskraft in die Produktentwicklung. Innovation bedeutet für uns ständiges Lernen – von unseren Kunden, den Märkten und der ökologischen Entwicklung.

Wir stellen uns der Verantwortung, ganzheitlich sowie zukunftsorientiert zu denken und zu handeln – auch dafür genießen wir seit 1950 das Vertrauen unserer Kunden.

Feel safe. In every step of your project.

Focus forward. With a floor in balance.

Peace of mind. Wherever you are.
