Indoor Home Rechargeable UV Light Insect Trap Electronic Mosquito Killer Lamp

Item No: ATE137-w

Name: Mosquito Killer Lamp

Material: Plastic

Size: 12*12*22cm

Color: White

Target Pests: Mosquito

Package: 1Pack

Special Features:

1. It is no radiation, no noise and non-irritating odor. Safe for human health and environment. Suitable for pregnant women and babies
2. The elegant birdcage shape with the top magpie design make it become a nice decor for the room
3. It is great for indoor and outdoor use like camping, hiking and fishing
4. Using special led light source to trap mosquitoes, it will emit purple UV harmless light to lure mosquitoes near the lamp, and the strong suction will suck the mosquitoes into the trap, and make them air-dry to die
5. Many charging methods: Laptop charge, power bank charge and USB charge
