Indoor Home Stainless Steel Rodent Prevention Mouse Rat Proof Tape

Item No: ATM3024

Name: Mouse Rat Proof Tape

Material: Stainless Steel

Size: Width: 5cm

Color: Black

Target pests: Mouse, rat and rodent

Package: 1Pack

Special features:

1. Covers holes and gaps quickly and without much effort
2. Stainless steel mesh core for extra strength
3. Excellent adhesion to most dry building materials
4. The non-toxic tape can be painted, also very easy to cut
5. It is a seriously tough rat and mouse proofing tape that incorporates a stainless steel mesh
6. Two layers of butyl tape "sandwich" a dense stainless steel mesh core
7. It is incredibly flexible, virtually impenetrable and has excellent adhesion to most building materials and it may be overpainted to blend with its surroundings
8. The tape is 50mm wide and is used to cover holes and cracks in all building substrates. For larger defects, it can be lapped. Ensure surfaces are clean, dry and free of dust before applying the tape
