Outdoor Indoor Automatic Reusable Mouse Snap Trap with Tunnel Plastic Mouse Trap Station

Item No: ATPL6766S

Name: Plastic Mouse Trap Station

Material: Plastic

Size: 17*11*7.5 cm

Color: Black

Target pests: Mouse

Package: 1Pack

Special Feature:

1. Plastic design. It is safe, environmentally friendly, non-toxic, and reusable

2. Easy to use. Place bait in cup and insert through bottom; place the trap in affected area; simply press down to set trap. When the mouse smells the scent of the bait and touches the trap, it will be caught
3. It is convenient to use. Once a mouse is caught in the trap, there is no chance for it to escape, making catching mouse highly efficient
4. Both sides open design. The mouse can fall into the trap from two sides. The caught mouse can be removed without touching by opening the plastic housing
5. Through the bottom of the trap, the bait can be placed in the trap from outside. In combination with plastic housing, it makes the rat trap very safe
6. The mouse trap is easy to clean after use

Application situations:

Indoor, outdoor, restaurants, kitchen, office, hotel, bedroom, chicken runs, other animal enclosures etc
