DOONA X

doona.com

From car seat to *Stroller* in seconds

i-Size Compliant

The ECE R129/i-Size car seat standard is Europe's latest and most advanced regulation.

Doona X is the next generation of the Doona Car Seat & Stroller. Featuring three recline positions, Doona X allows you to effortlessly transition from a car seat to a stroller, offering options to sit, relax, and lean back. The innovative design allows you to navigate the streets at ease, without disturbing your sleeping child when hopping in a car, traveling by bus or walking up the stairs. The revolutionary car seat and stroller provides a safe and practical solution for parents on-the-go.
