

**Ozbek Ambalaj** is a reliable manufacturer and exporter of eco-friendly textile packaging solutions, established in Istanbul in 2006.

We produce a wide range of cotton, gabardine, canvas and non-woven fabric bags, including tote bags, shopping bags, cosmetic pouches and fully customized textile packaging. Each product is carefully designed to reflect our clients' brand identity while meeting today's sustainability expectations.

At Ozbek Ambalaj, packaging is not just a product. It is a statement of quality, responsibility and care. By combining strong production know-how with printing techniques such as screen printing, pigment printing and digital printing, we create tailor-made solutions for every project.

Our strength lies not only in what we manufacture, but in how we work. Transparency, clear communication and long-term partnerships are at the core of our business culture. From sampling to mass production, we act as a dependable solution partner for our clients.

With regular exports to Europe and a strong commitment to sustainable manufacturing, Ozbek Ambalaj proudly supports brands that value quality, responsibility and consistency, today and for the future.
