OUTDOOR & EVENT

PACKAGING AND POS

We understand the needs of different industries

We support clients from a wide range of industries – including marketing, retail, and manufacturing.

Our solutions support the activities of:

- **Advertising and event agencies** – in executing campaigns, booths, stage designs, and promotional materials.
- **Brands in FMCG, beauty, fashion, automotive, and home & garden industries** – in product presentation and brand-building activities.
- **Trade fair and event organizers** – in creating exhibition spaces and sponsor zones.
- **Retail chains and POS producers** – in equipping stores, showrooms, and points of sale.

You're choosing a partner who thinks in processes

One Stop Shop

One Stop Shop
complete production in one place: printing, finishing, packing, and logistics.

Experience
cooperation with brands and agencies across Europe.
