

PROFILE

As a Computer Science graduate from USJ, I am now pursuing a master's degree in Data Management and Artificial Intelligence at ECE Paris. I am passionate about technology and continuously seek to expand my knowledge and expertise. I have a strong ability to observe, analyze, and solve problems with precision. My goal is to further develop my technical skills, specialize in data analytics, and lead impactful projects in data analysis. My academic journey has equipped me with a wide range of programming skills and the capability to design innovative solutions. Moreover, I am highly skilled in communication and excel in collaborative team environments.

EDUCATION

MSc Data Management

L'ECE : la Grande École de l'Ingénierie Numérique, Paris
2025 - present

Computer Science

Université de saint Joseph, Mansourieh
2022 - 2025

General Science

Collège notre Dame du Mont-Carmel, Fanar
2007 - 2022

COURSE AND PROJECT

Enrolled in numerous courses, I improved my programming skills and completed several projects, including:

- developing Artificial Intelligence for games like Tic-Tac-Toe and PacMan - crafting a Basketball website
- constructing a database for a music streaming platform
- designing diverse programs and games such as a shooting game and software for a karting company.

SKILLS AND KNOWLEDGE

- Programming languages:
C#, C++, Python, Java, SQL, HTML, PHP, CSS, JavaScript, and jQuery
- communication skills
- problem-solving skills.

knowledge in:

- operations systems
- routing and switching
- Full Stack Development

CERTIFICATIONS

- Cisco: Introduction to Networks
- Participation in LAU Model United Nations

EXPERIENCE

Assistant Manager

Restaurant Chebli | 2019- 2025

Intern

White Peaks Solutions | January 2025 - March 2025

Intern

Potech | June 2024 - September 2024

Basket-ball Coach

club aamal sportif | June 2024 - Present

Head Waiter

Jalsetna | June 2023 - September 2023

Summer Coach

Colonie des couleur | 2020 - 2023
