

Join us at the JDC 2025 trade show in Marseille

from Tuesday, March 25, to Thursday, March 27, at Stand A16

Each year, we are delighted to take part in the Collection Days to showcase our presence and connect around our products.

This edition will be an opportunity to unveil our very latest innovations, combining design and versatility. Among these new additions: our glass-front barbecue, 2-in-1 barbecue, and 3-in-1 barbecue.

Our glass-front barbecue

Transparency, precision, and practicality: this glass-front barbecue ensures controlled cooking thanks to its adjustable burners, integrated thermometer, and optimized storage spaces.

Our 2-in-1 barbecue

No need to choose: this barbecue can run on both gas and charcoal at the same time. The perfect combination for controlled cooking and successful convivial meals, serving up to eight people.

Our 3-in-1 barbecue

Versatile and high-performing, this 3-in-1 gas barbecue features two enamelled cast iron grills, as well as a removable pizza oven and removable plancha.

Our team will be there to discuss our new products and answer all your questions. Join us in a friendly atmosphere at Stand A16 at the JDC trade show in Marseille.

Tuesday: 11h-20h Wednesday : 8h30-19h Thursday: 8h30-16h.
