Backed by more than 35 years of experience in textile screen printing, we are a trusted manufacturer of premium inks headquartered in Istanbul, Turkey. We proudly offer high-quality products certified to industry-leading standards, including Organic GOTS v7.0 and ZDHC Level 3.1. We offer a comprehensive range of water-based and plastisol inks, along with a variety of special effect solutions to meet the evolving needs of the global textile printing industry. In response to growing innovation and customer demand, we are excited to introduce our latest product line: DTF (Direct-to-Film) Inks, DTF Films, and DTF Powder – delivering vibrant color, long-lasting durability, and high efficiency for modern transfer printing applications. Under our global brand, 'COLVAS - Colors & Innovation', we continue to push the boundaries of quality, sustainability, and creative excellence, setting new industry standards and empowering partners worldwide.
