

Digital Cloakroom Systems

Reinventing your first and last customer touchpoint

The last analogue process at your venue

- No visibility on demand, queues, or staffing needs
- Operations are labor-intensive and manual
- Tokens get lost constantly

Imagine a better way

- Fast, secure, and fully digital
- Real-time analytics on guest flow
- Self-explanatory for any staff & guest
- Go live within 24 hours

From Bottleneck to Breakthrough

Any **payment card** or **entry ticket** becomes the **cloakroom token**

- ✓ no app or registration required — works for every guest
- ✓ supports free and paid cloakrooms
- ✓ valuable data: dwell time, utilization, peak hours, and more
- ✓ plugs into your existing infrastructure — no rebuild needed

Fast and smooth process
