Our supply meets  
your demand.

Flexocraft has risen to the forefront by offering an extensive selection of packaging products that meet our clients' unique demands.

## SOURCED DIRECTLY FROM NATURE.

We take our material sourcing as seriously as bag manufacturing itself. We exclusively contract with paper mills who share our commitment to the environment and we maintain control over all sourcing so that we can live up to our solemn obligation to nature.

---

## STATE OF THE ART MANUFACTURING.

Flexocraft boasts industry-leading manufacturing capabilities. With full control over production and scheduling, we are able to deliver with unmatched speed and quickness, hitting each deadline and deftly providing clients with their paper, plastic, and fabric bags of choice.

CONSCIOUS OF OUR PLANET.

Flexocraft is committed  
to sustainability and  
protecting the planet we  
are blessed to call home.

- Eco-friendly packaging
- FSC Certified
- 100% recyclables
- Biodegradable & Compostable
- Reusable bags

# QUALITY WITHOUT COMPROMISE.

Our products are rated **Safe for Direct food contact** according to the **GFSI criteria**, and our facilities are ISO9001, FSC22000 & HACCP certified.

Built-in comprehensive quality control measures, rigorous testing, and inspections at every turn ensure that every product meets our - and your - highest standards.

Here are some of the prestigious lab groups Flexocraft is accredited with:

An aerial photograph of a port area, showing numerous stacks of colorful shipping containers in shades of blue, red, yellow, and purple. A large white ship is docked at a pier in the center. The background is a deep blue sky. The text is overlaid on this image.

# SPEED TO MARKET.

TIME IS MONEY. YOUR MONEY.

As an industry leader, we understand the importance of timely and reliable manufacturing and shipping. We carry a vast stock, and with our extensive network of logistics partners offer the capabilities to promptly produce and deliver your products globally, either via drop shipment to your facility or at one of our many distribution centers.

Warehouse and distribution facilities strategically located throughout the country for fast and cost-effective shipping.

Strong partnerships with leading reliable carriers to get your order to you when you need it.

Large stock inventory of ready-to-use products.

Advanced logistics technology and automation, including real-time tracking and inventory management.

Comprehensive customer support for a seamless experience.

FLEXOCRAFT

No flex – Flexocraft is the  
#1 choice of the brands  
America chooses.

We partner with leading distributors  
to deliver what your clients need.
