

preservebrands.com

We are the first textile-based sustainable solution for packaging — handcrafted by skilled artisans using surplus textiles, not trees. Crafted using 1,000-year-old artisan techniques,

Since 2001, Preserve has elevated the specialty paper space with sustainable alternatives. Rooted in artisanal tradition and driven by a commitment to environmental responsibility, our biodegradable products offer an elegant solution to disposable waste. Join us in shaping a more sustainable future—one handcrafted piece at a time.
