

## AFRICAN EXCELLENCE FOR LUXURY BRANDS

C&D Products RWANDA is proud to present its expertise and excellence in the design and production of bags and pouches specially designed to meet the needs of luxury brands in their promotional campaigns at Luxepack New York on the 6<sup>th</sup> and 7<sup>th</sup> of May 2026.

## 10% CUSTOMS DUTY FOR THE US MARKET

**Unrivalled competitive advantage over Chinese production.**

Bags and Pouches made in Rwanda benefit from tariffs of just 10% to the United States, increasing competitiveness on the international market.

## Why choosing C&D PRODUCTS RWANDA

### Commitment to the environment

Rwanda is a leader in Africa when it comes to environmental policies (ban on plastics, promotion of renewable energies). Rwanda implements strict safety and sustainability standards, ensuring high-quality products manufactured in compliance with ethical and environmental practices.

### Political stability and security

Rwanda offers a safe and stable production environment, with a skilled workforce and modern infrastructure.

### Factory certifications

Our factory in Kigali is BSCI (Grade A) certified and equipped with a clean room, guaranteeing compliance with the strictest health and safety standards.

### Know-how dedicated to luxury packaging

Since our establishment in Rwanda, we have combined our international expertise with local resources to offer competitive and sustainable products. Our commitment to excellence and innovation enables us to meet the diverse needs of our customers around the world, offering them products that reflect the identity and excellence of each partner brand.

### Social and environmental responsibility

We are aware of environmental issues, and we favor the use of natural and eco-responsible materials such as recycled cotton and RPET. Our aim is to reduce our ecological footprint while guaranteeing high-quality luxury products. Our **C&D#MAISHABORA** initiative is a commitment to the United Nations Sustainable Development Goals, with the goal of improving the living conditions of workers and their families.
