

YONG YU FENG

Sustainable Luxury, Crafted by YYF

「OUR MISSION」

Our Brand Mission Is To Merge Luxury With Eco - Friendliness Through
Innovative Craftsmanship To Redefine Future Aesthetics.

We Focus On Creating Premium Sustainable Synthetic Leather, Leading The
Balance Of Fashion And Social Responsibility.

YONG YU FENG

About Us

Founded in 2006, Yong Yu Feng Leather specializes in premium sustainable synthetic leather, with 20 years of industry expertise.

We have delivered comprehensive sustainable material solutions to over hundreds global brands. Headquartered in China with dual operation centers in Dongguan and Shenzhen.

The company operates fully automated production lines and an international-standard laboratory, developing over 300 new eco-material varieties annually.

YONG YU FENG

In 2025, we won the Green Revolution Award at the Luxury Packaging Exhibition and became the first invited Chinese material supplier to exhibit at the Louvre. This year we are invited again .

Our Materials Adapt To Multi-industry Applications Across Specialized Categories

Lux Packing Line- Perfume

A collection of perfume bottles in various shapes and colors, including a prominent purple bottle with a silver cap and a clear bottle with a white stopper.

Gifting Line- Makeup Bag

A black makeup bag with a gold zipper, surrounded by various makeup items like lipsticks, eyeshadow palettes, and brushes.

3CE Line- Cellphone

Three smartphones in different colors (orange, white, black) with matching phone cases, displayed against a light background.

Music Line- Instrument Case

A close-up view of a brown leather instrument case with gold hardware, resting on a wooden surface.

Travel Line- Luggage & Bag

A person's hands holding a white handbag and a brown leather bag, with a luggage cart in the background.

Glasses Line- Eyewear Cases

A pair of gold-rimmed sunglasses resting on a brown leather eyewear case, with a white luggage tag labeled '*2N' nearby.

Fashion Line- Shoes & Handbags

A person's legs wearing black high-heeled shoes and carrying a brown leather handbag, walking on a patterned carpet.

Business Line- Backpack & Suitcase

A person in a business suit carrying a black briefcase, standing in a professional setting.
